This Current Awareness Bulletin is produced by the Yeovil Academy Library to provide staff with a range of obesity-related resources to support practice. It includes recently published guidelines and research articles, as well as news and policy items.

**Cochrane Systematic Reviews**

**Interventions for the management of obesity in people with bipolar disorder**
Agnes Tully, Edel Murphy, Siobhan Smyth, Yvonne Conway, John Geddes, Declan Devane, John P Kelly and Fionnuala Jordan
Online Publication Date: April 2018

**Physical activity, diet and other behavioural interventions for improving cognition and school achievement in children and adolescents with obesity or overweight**
Anne Martin, Josephine N Booth, Yvonne Laird, John Sproule, John J Reilly and David H Saunders
Online Publication Date: March 2018

**Non-invasive positive airway pressure therapy for obesity hypoventilation syndrome in adults**
Yewon Chung, Frances L Garden, Guy B Marks and Hima Vedam
Online Publication Date: March 2018

**Systematic Reviews**

**The West Midlands ActiVe lifestyle and healthy Eating in School children (WAVES) study: a cluster randomised controlled trial testing the clinical effectiveness and cost-effectiveness of a multifaceted obesity prevention intervention programme targeted at**
NIHR HTA programme 2018

**The effect of the mandometer method in the treatment of eating disorders and obesity**
Swedish Council on Technology Assessment 2018

Health Technology Assessment (HTA) Database. 2018

Cluster randomised controlled trial and economic and process evaluation to determine the effectiveness and cost effectiveness of a novel intervention [Healthy Lifestyles Programme (HeLP)] to prevent obesity in school children
Health Technology Assessment (HTA) Database. 2018

Comparison of accelerometer measured levels of physical activity and sedentary time between obese and non-obese children and adolescents: a systematic review.
BMC Pediatrics 2018 Full Text: YDH

The impact of obesity on esophagectomy: a meta-analysis.

A systematic review of childhood obesity in the Middle East and North Africa (MENA) region: Prevalence and risk factors meta-analysis.
Advances in pediatric research 2018 Full Text: YDH

Second trimester ultrasound detection of fetal anomalies in the obese obstetrical population: a systematic review protocol.
JBI database of systematic reviews and implementation reports 2018 Full Text: YDH

Intermittent fasting interventions for treatment of overweight and obesity in adults: a systematic review and meta-analysis.
JBI database of systematic reviews and implementation reports 2018 Full Text: YDH

Obesity and abnormal glucose tolerance in offspring of diabetic mothers: A systematic review and meta-analysis.
PloS ONE 2018 Full Text: YDH

Association between Sarcopenia and Metabolic Syndrome in Middle-Aged and Older Non-Obese Adults: A Systematic Review and Meta-Analysis.
Nutrients 2018 Full Text: YDH

Impact of Dietary Calcium Supplement on Circulating Lipoprotein Concentrations and Atherogenic Indices in Overweight and Obese Individuals: A Systematic Review.
Journal of dietary supplements 2018 Full Text: YDH
Clinical update: Naltrexone–bupropion for managing overweight and obesity (TA494)
Evidence-based recommendations on naltrexone–bupropion (Mysimba) for managing overweight and obesity in adults
Technology appraisal guidance Published December 2017

Physical activity and the environment (NG90)
Evidence-based recommendations on improving the environment (including public open spaces and schools) to increase physical activity levels in all people
NICE guideline Published March 2018

KTT12: Type 2 diabetes mellitus: medicines optimisation priorities
Associated with obesity, physical inactivity, raised blood pressure and disturbed blood lipid levels
Key therapeutic topic Published January 2015 Last updated February 2018

Promoting health and preventing premature mortality in black, Asian and other minority ethnic groups (QS167)
Evidence-based statements to deliver quality improvements in promoting health and preventing premature mortality among black, Asian and other minority ethnic Quality standard Published May 2018
