

Dementia

Current Awareness Bulletin

October 2018

This Current Awareness Bulletin is produced by the Yeovil Academy Library to provide staff with a range of dementia-related resources to support practice. It includes recently published guidelines and research articles, as well as news and policy items.

Research & Evidence

1. [Mini-Cog for the diagnosis of Alzheimer's disease dementia and other dementias within a primary care setting.](#)
Cochrane2018
2. [Diagnosis of dementia in the elderly with PTSD](#)
Swedish Council on Technology Assessment2018
3. [A randomised controlled trial to evaluate the impact of a human rights based approach to dementia care in inpatient ward and care home settings.](#)
NIHR HTA programme2018
4. [Aerobic and strength training exercise programme for cognitive impairment in people with mild to moderate dementia: the DAPA RCT](#)
NIHR HTA programme2018
5. [The Person, Interactions and Environment Programme to improve care of people with dementia in hospital: a multisite study](#)
NIHR HTA programme2018
6. [Withdrawal versus continuation of long-term antipsychotic drug use for behavioural and psychological symptoms in older people with dementia.](#)
Cochrane2018
7. [Reminiscence therapy for dementia.](#)
Cochrane2018
8. [Personally tailored activities for improving psychosocial outcomes for people with dementia in long-term care.](#)
Cochrane2018
9. [Donepezil for dementia due to Alzheimer's disease.](#)

[Cochrane2018](#)

10. [Music-based therapeutic interventions for people with dementia.](#)

[Cochrane2018](#)

11. [Antidepressants for treating depression in dementia.](#)

[Cochrane2018](#)

12. [Environmental and behavioural modifications for improving food and fluid intake in people with dementia.](#)

[Cochrane2018](#)

13. [Blood pressure-lowering treatment for preventing recurrent stroke, major vascular events, and dementia in patients with a history of stroke or transient ischaemic attack.](#)

[Cochrane2018](#)

14. [Art therapy for people with dementia.](#)

[Cochrane2018](#)

15. [Mindfulness-based stress reduction for family carers of people with dementia.](#)

[Cochrane2018](#)

16. [Valproate preparations for agitation in dementia.](#)

[Cochrane2018](#)

17. [Modifying the consistency of food and fluids for swallowing difficulties in dementia.](#)

[Cochrane2018](#)

18. [Implementing Dementia Care Mapping as a practice development tool in dementia care services: a systematic review.](#)

[Clinical interventions in aging2018](#)

19. [Reliability, validity and relevance of needs assessment instruments for informal dementia caregivers: a psychometric systematic review protocol.](#)

[JBI database of systematic reviews and implementation reports2018](#)

20. [How best to assess quality of life in informal carers of people with dementia; A systematic review of existing outcome measures.](#)

[PLoS ONE2018](#)

Guidelines

NICE National Institute for Health and Care Excellence

[Dementia: assessment, management and support for people living with dementia and their carers \(NG97\)](#)

Evidence-based recommendations on diagnosing and managing dementia (including Alzheimer's disease)
NICE guideline Published June 2018

[Hearing loss in adults: assessment and management \(NG98\)](#)

Evidence-based recommendations on assessing and managing hearing loss in adults in primary, community and secondary care

NICE guideline Published June 2018

[Intermediate care including reablement \(QS173\)](#)

Evidence-based statements to deliver quality improvements in referral and assessment for intermediate care and how to deliver the service

Quality standard Published August 2018

[Donepezil, galantamine, rivastigmine and memantine for the treatment of Alzheimer's disease \(TA217\)](#)

Evidence-based recommendations on donepezil (Aricept), galantamine (Reminyl), rivastigmine (Exelon) and memantine (Ebixa) for treating Alzheimer's disease

Technology appraisal guidance Published March 2011 Last updated June 2018

[Decision-making and mental capacity \(NG108\)](#)

Evidence-based recommendations for health and social care professionals on supporting decision-making in people 16 years and over who may lack capacity

NICE guideline Published October 2018
