

Maternal and Neonatal Care

From addressing healthy behaviours in pregnant women to assessing mental health, or assisting with breastfeeding, NHS professionals in hospital and local settings play a key role in providing care that ensures equality of experiences and successful life chances for families. We have provided a list of relevant articles from MA Healthcare journals dealing with maternal and neonatal health, thereby providing your NHS staff with research, information and tips that will support both

their work and the care of their patients.

British Journal of Healthcare Assistants

The well term baby

Published Online:8 Jan 2020

<https://doi.org/10.12968/bjha.2020.14.1.24>
