

Stroke - 4

Being one of the biggest causes of disability, both the diagnosis and care of stroke victims is still a key issue for health professionals in the UK, with many survivors needing long-term care from others, including professional carers, family, and friends. We have provided a list of relevant articles from MA Healthcare journals dealing with stroke, thereby providing your NHS staff with research, information and tips that will support both their work and the care of their patients.

British Journal of Cardiac Nursing

- How important is sleep for cardiac health?
Published Online:27 Apr 2021
<https://doi.org/10.12968/bjca.2021.0038>
- Saving more lives and limbs: applying a cardiac rehabilitation model of structured exercise to symptomatic peripheral arterial disease
Published Online:27 Apr 2021
<https://doi.org/10.12968/bjca.2020.0086>
- Pharmacotherapy in arrhythmias: an overview of anti-arrhythmic drug therapy
Published Online:13 Apr 2021
<https://doi.org/10.12968/bjca.2021.0044>

British Journal of Healthcare Assistants

- The brain: our control system
Published Online:9 Aug 2021
<https://doi.org/10.12968/bjha.2021.15.7.318>

British Journal of Hospital Medicine

- Systolic blood pressure and outcomes in frail older adults
Published Online:26 May 2021
<https://doi.org/10.12968/hmed.2021.0181>
- D-dimers: a most misunderstood test
Published Online:17 Aug 2021
<https://doi.org/10.12968/hmed.2021.0279>

British Journal of Neuroscience Nursing

- Exploring advanced nursing practice in stroke services: a scoping review
Published Online:26 Apr 2021

<https://doi.org/10.12968/bjnn.2021.17.Sup2.S8>

- A systematic literature review of incidence and predictors of headache and migraine in survivors of haemorrhagic stroke
Published Online:26 Apr 2021
<https://doi.org/10.12968/bjnn.2021.17.Sup2.S26>
- The role of neuroplasticity in stroke nursing
Published Online:26 Apr 2021
<https://doi.org/10.12968/bjnn.2021.17.Sup2.S20>
- The observation and management of patients with orolingual angioedema associated with recombinant tissue plasminogen activator
Published Online:26 Apr 2021
<https://doi.org/10.12968/bjnn.2021.17.Sup2.S4>
- Dysphagia: promoting nutrition and hydration
Published Online:26 Apr 2021
<https://doi.org/10.12968/bjnn.2021.17.Sup2.S16>

Journal of Paramedic Practice

- Effectiveness of e-learning to develop the ability to recognise and manage stroke
Published Online:19 May 2021
<https://doi.org/10.12968/jpar.2021.13.5.190>
- Prehospital unfractionated heparin and primary percutaneous coronary intervention
Published Online:19 May 2021
<https://doi.org/10.12968/jpar.2021.13.5.CPD1>

Journal of Prescribing Practice

- Cardiovascular disease: the gender divide
Published Online:7 Apr 2021
<https://doi.org/10.12968/jprp.2021.3.4.14>
- Understanding primary prevention of cardiovascular disease
Published Online:16 Aug 2021
<https://doi.org/10.12968/jprp.2021.3.8.326>

International Journal of Therapy and Rehabilitation

- Stroke early supported discharge: the impact of patients' characteristics and clinical profile on rehabilitation goal attainment and clinical outcomes
Published Online:1 Apr 2021
<https://doi.org/10.12968/ijtr.2020.0009>
- Effect of residual lower-extremity function on strategies and execution time for raising and lowering trousers in patients with hemiparetic stroke: a cross-sectional study
Published Online:19 Jun 2021
<https://doi.org/10.12968/ijtr.2020.0034>

- Habituation to a unilateral walking device after stroke: new considerations for an old habit, a case series
Published Online:30 Aug 2021
<https://doi.org/10.12968/ijtr.2020.0132>
- Neurological complications in COVID-19: a single case study of rehabilitation treatment
Published Online:30 Aug 2021
<https://doi.org/10.12968/ijtr.2020.0140>
- On-road driving behaviour characteristics of patients with brain injury
Published Online:30 Aug 2021
<https://doi.org/10.12968/ijtr.2020.0076>
