

MA Healthcare

Leadership and Communication Skills

As healthcare settings become ever more complex, effective communication and leadership skills increasingly underpin the success of NHS organisations and their staff, and allow for the improved running experience of patients, their carers and other service users. We have provided a list of relevant articles from MA Healthcare journals dealing with this area, thereby providing your staff with research, information and tips that will further support their work and their care of their patients.

British Journal of Community Nursing

- Equality, diversity and inclusive leadership in palliative care
Published Online:1 Jul 2022
